### Return on Investment 101

The value of a college degree is undeniable. But, the return on investment depends greatly on the choices made – what you study, what credential is earned and how much debt there is to pay off.

## College & Career Attributes

LEARN ABOUT MYSELF

**KNOW:** Identify personal motivations and assets

**CONNECT:** Understand post-secondary school and work options that align with interests and ability

EXPLORE OCCUPATIONS

**SELECT:** Choose post-secondary options to achieve career goals

PLAN FOR EDUCATION

**INVEST:** Acquire the necessary financing options to pursue post-secondary training

**GO:** Attain the required credentials to pursue post-secondary goals
