About Mrs. Sale:

I was born and raised in Illinois. I loved languages even as a child, and began learning Spanish in middle school.

I then began learning French and studied both languages throughout high school and college, where I studied abroad in Madrid, Spain.

In 2018, I went to Europe and traveled to several countries, including France. I am beginning to learn Italian and would love to learn as many languages as I can!

In my free time I enjoy spending time with friends and family, cooking, and traveling wherever I can.

Relevant Experience:

I started teaching Spanish and French in 2015. I taught for three years in Wheaton, IL, and started teaching for SACS in August 2017.

I have a wide variety of teaching experiences including teaching in Spanish bilingual elementary classrooms, managing a foreign language program at the middle level, and now teaching both languages at the high school level.

I have gained a lot from these different experiences and enjoyed each one. I am also a co-sponsor of French Club at Homestead.

Why do I teach?

I teach because I enjoy working with students and being a positive part of their day. I love sharing my excitement for other languages with them and seeing them grow and improve both as students and individuals. I remember my Spanish and French teachers as the most impactful because they influenced me to improve as a person as well as a student, and I hope to do that for my students as well.
