About Mrs. Yde:

I am from Fort Wayne. My husband and I love to spend time with our puppy and our three kids when they are home.

In addition to spending time with my family, I love to cook, spend time at the lake, read, and make bouquets with the flowers I grow. I also love to travel and have been back to Seville twice with my husband in the past three years to visit our daughter who studied at the same university I did.

We're not sure when we will be back in Spain, but I am guessing not too long from now because we love it there!

Relevant Experience:

I studied at Indiana University in Bloomington, majoring in Spanish. While there, I did a semester abroad in Seville, Spain. That's when I really learned how to speak Spanish!

After I graduated, I spent a summer abroad in Veracruz, Mexico, taking graduate courses. I completed my master's degree in English at IPFW.

I am in my eighteenth year of teaching Spanish. I have taken students abroad to Puerto Rico and Costa Rica and am taking another group to Ecuador in June 2019!

Why do I teach?

I teach Spanish because it is fun sharing the language and culture with high school students. It is especially rewarding when I can see that I have sparked an interest in my students and they realize that they can communicate in Spanish. In addition to learning the language, I hope to leave students with a desire to travel and learn about different cultures.
