

2019-2020 SAT - ACT: VERBAL & MATH Prep Classes

SIX SESSIONS(12 hours total):

5:30 – 7:30 p.m. (both classes) **New Option for Math Sessions**

All dates are Tuesdays for Math and Wednesdays for Verbal.

unless indicated such as Math Fall and Spring Sessions. Please check the www.teachthemlive.com website for any date corrections especially due to school cancellations. We may or may not meet when school is cancelled depending on the administration's decision after 2:00pm. Cancellation messages will be tweeted on the SACS homepage as well as posted at www.teachthemlive.com. Dates for makeup will be announced on that website. Math sessions will run online through www.zoom.us, even if the class is cancelled due to weather. Thank you.

Email Junior Stailey with questions(teachthemlive@gmail.com). These sessions are not affiliated with Homestead High School.

Math	Verbal				
10/22	10/23	<p>There will now be two options on how you attend math sessions. This will NOT apply to the verbal sessions at this time.</p> <p>1) You can physically be in Room 517 from 5:30 to 7:30 or whatever part of the session you can attend(limit 30 students). If more than 30 paid students choose option 1, then all other participants will be in option 2.</p> <p>2) If staying home is more your style, you can join us online through www.zoom.us. This is an online conferencing service which will be utilized in every session. Students at home can hear me through their speakers and can type questions that will be answered during our session. Mr. Stailey will write on screen demonstrating all the math concepts. All students will be sent an email invitation for each session. If they login to the session, they can take part from the comfort of home or Starbucks for that matter. All math sessions will be recorded for viewing later which will be shared by email to students the next day. So even if you can't attend or login, you will still be able to view it later.</p>
