

HOMESTEAD HIGH SCHOOL profile

MSD SOUTHWEST ALLEN COUNTY 4310 HOMESTEAD RD FT WAYNE, IN 46814 (260)431-2202

Homestead High School is the only high school in Aboite Township. Having a diverse population, it is in an urban-fringe community, located in the southwest corner of Allen County. Homestead is a four-year comprehensive public high school with an enrollment of 2,345 students. It is accredited by the Indiana Department of Education and AdvancED. Homestead's school year consists of two 18-week semesters. The majority of students are enrolled in seven, 45-minute class periods each semester, with nearly 220 senior students participating in a college block schedule.

MISSION: *Preparing today's learners for tomorrow's opportunities.*

HONORS/AP COURSES Homestead High School offers 20 Honors and 17 Advanced Placement courses that provide opportunities for students to select rigorous coursework. With guidance from counselors and faculty, students are encouraged to take these college-level courses that offer rigorous examination of many subjects.

DUAL ENROLLMENT Numerous opportunities are available to take dual credit courses on the Homestead High School campus. Homestead offers over 50 dual credit opportunities on Homestead's campus. Juniors and seniors may take courses at local universities.

SPECIAL EDUCATION As a leader in the concept of inclusion, Southwest Allen County Schools provides comprehensive services to qualifying students.

IMPACT SCHOOL Impact is an alternative high school program offering a different approach to learning with a nontraditional, career-oriented curriculum in a creatively structured environment.

TECHNOLOGY Homestead High School is a well-known national leader in the implementation of technology for teaching and learning. Homestead is committed to providing students with varied and advanced opportunities related to technology through a diverse list of course offerings.

CAREER EDUCATION Two cooperative education programs, Marketing Education and Interdisciplinary Cooperative Education, allow seniors to incorporate work experience into their academic plans. Students interested in technical and career-specific skills to prepare for such careers as automotive, aviation technology, child care, computers, construction, cosmetology, emergency services, health care, hospitality services and industrial technology may enroll at the Anthis Career Center.

COMMUNICATIONS Journalism students publish and produce the school's award-winning newspaper and yearbook. Students are provided with the opportunity to study broadcast journalism through radio and television classes and involvement in the school's radio station, WCYT 91.1 FM.

VISUAL & PERFORMING ARTS Homestead offers a wide array of courses allowing for the exploration of the arts. Drawing, photography, sculpture, painting, and the theatre program are some of its specialized areas. The music department encompasses marching band, jazz band, orchestra, choral programs, and dance performance.

GRADUATION EXAM According to the Indiana Department of Education, students must pass the Graduation Qualifying Exam (GQE) to graduate. Homestead consistently scores in the top 10% in the state.
